July - September 2010

Management Team in Raya mood

GM's Message

Dear Friends,

For the next few months, guests have a lot to celebrate... the getting more exciting FIFA World Cup, the holy month of Ramadan and the much-awaited Aidil Fitri celebrations.

At Sutra Beach Resort, nicely concocted 'cocktails & mocktails' and food specialities continue to excite. Introducing 'Young Coconut Drink' for the month of July, Nasi Ulam Sambal Kelapa 'n' Condiments is sure to salivate your appetite.

Also, try out Pastry Chef Zahari's freshly-baked cakes and pastries. His delightful array will surely tempt you to many more pieces. Remember to try his 'Cake of the Month' special.

Watch FIFA 'live' on big screen with friends and loved ones at The Rhu Tapai Lounge. Our culinary team has also created special snacks to keep you entertained throughout the match season.

Reward yourself after a meaningful day of fasting..... treat your family and loved ones to our sumptuous 'Pasar Ramadan' buffet. Just for RM38++ per person, one gets to enjoy an endless array of food selection. Our Ramadan Room Special for just RM130++ includes sahur/breakfast for Muslims and non-Muslim guests alike. Good news - take a complimentary ride to the nearest mosque for 'Tarawih' prayer.

'Jom Gi Sutra' a place to call home.

Sincerely,

Malizan Haji Zakaria
General Manager
